INDEPENDENT AUDITOR'S REPORT

To Municipal Clerk of the Town of London Ontario

Qualified Opinion

We have audited the Financial Statement – Auditor's Report Candidate Form 4 (the Financial Statement) of Matthew Reid (the Candidate), which comprises the Statement of Campaign Period Income and Expenses and Statement of Determination of Surplus or Deficit and Disposition of Surplus for the period from May 01, 2018 to December 31, 2018 (relating to the election held on October 22, 2018), and other explanatory information.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* paragraph, the accompanying Financial Statement of the Candidate for the period from May 01, 2018 to December 31, 2018 (relating to the election held on October 22, 2018) is prepared, in all material respects, in accordance with Section 88 of the Municipal Elections Act, 1996 (the Act).

Basis for Qualified Opinion

Due to the nature of the types of transactions inherent in an election campaign, the completeness of donations of goods and services and receipts and disbursements is not susceptible to satisfactory audit verification. Accordingly, our verification of these transactions was limited to the amounts recorded in the accounting records of the Candidate. Therefore we were not able to determine whether any adjustments might be necessary to income and expenses and surplus / deficit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statement* section of our report. We are independent of the Candidate in accordance with the ethical requirements that are relevant to our audit of the Financial Statement in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter – Basis of Accounting and Restriction on Distribution and Use

The Financial Statement is prepared to assist the Candidate to meet the requirements of the Act referred to above. As a result, the Financial Statement may not be suitable for another purpose. Our report is intended solely for the Candidate and Municipal Clerk of the Town of London Ontario and should not be distributed to or used by parties other than the Candidate and Municipal Clerk of the Town of London Ontario. Our opinion is not modified in this manner.

Responsibilities of the Candidate for the Financial Statement

The Candidate is responsible for the preparation of the Financial Statement in accordance with the Act, and for such internal control as the Candidate determines is necessary to enable the preparation of the Financial Statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the Financial Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Statement.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Candidate's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Candidate.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
